### 07. **SENIOR NEWS:**

08. Check out the **new books** at the Media Center.

Say You Are One Of Them author-Akpan, Uwen

This novel contains five short stories written by Uwen Akpan. All of the stories are set in Africa and are told from a child's perspective. The stories deal with such topics as slavery, religious conflict, genocide and poverty. These are stories of love and sacrifice. They are stories of compassion and confusion. These stories make you wonder how children can grow up and survive under such circumstances.
