07. Check out what's new at the WWG Media Center. "The Mulligan" by Nathan Jorgenson (Jorgenson is a Minnesota author)

The Mulligan is a unique story about a common man. Rich in emotion and filled with unforgettable characters and incidents. A great story, well drawn, that also deals with real life crisis. The story line takes the reader from his childhood home in South

Dakota, to a cattle ranch in Montana and ultimately to the end of the road; the banks of a trout stream on an Indian Reservation.
