07. Check out what's new at the WWG Media Center. "The Worst Hard Time" by: Timothy Egan

The dust storms that terrorized America's High Plains in the darkest years of the depression were like nothing ever seen before. In this book the author tells the epic story of this environmental disaster and its impact on the communities stricken with fear and choked by dust in the "dirty thirties." This is a story about those who stayed and survived-those who now are in their eighties and nineties.

08. If you are interested in being a part of the talent show in WG on April 12 at 6:30 PM, please sign up at the HS office.
