Annabel Green is the girl who has everything. At least, that's what she portrays in her modeling shoots. But Annabel's life is far from perfect. Her friendship with Sophie ended bitterly, and her older sister's eating disorder is weighing down the entire family. Isolated and ostracized at school and at home. Annabel retreats into silent acceptance. Then she meets Owen-intense, music-obsessed, and determined to always tell the truth. With his guidance, Annabel learns to listen to herself and gains the courage to speak honestly.
