11 Days In December by: Stanley Weintraub  
A World War II Winter's tale of Patton and The Battle Of the Bulge.

It was truly a white Christmas in the forests of the Ardennes in 1944, but that was cold comfort to the Allied soldiers trying to stop the Nazis from retaking

Belgium in one of the most decisive battles of WWII. While a German loudspeaker taunted, "How would you like to die for Christmas?" the Allied forces dug in, despite freezing conditions. USA Today reviews state that 11 Days In December is a "well written, concise...makes good use of diaries, letters, and stories of ordinary soldiers in extraordinary times."
