RE: AGENDA for Week THREE: Curriculum

DA: February 14th, 2006

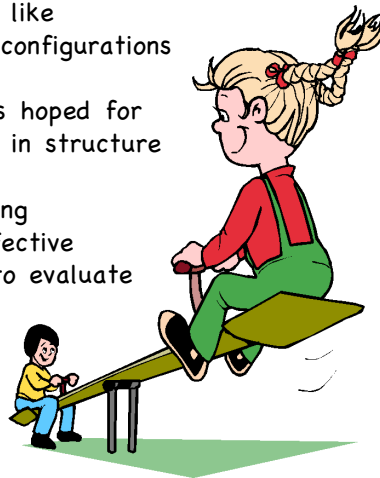

01. COMMITTEE MEMBERSHIP:

Bill Richards / Marcia Erickson / Deb Berg / Shelly Merrick / Josh Barron / Beth Kleven / Paul Olson / Loy Woelber

02. COMMITTEE TASK is to recommend possible Curriculum changes than would improve student learning within the three suggested organizational frameworks provided by the Organization Committee. How do we improve Student learning? / What is the most effective and efficient use of all staff? / What criteria should be set to evaluate the success of the organizational change?

03. APPROVAL OF THE AGENDA by committee includes appointing a recorder of the meetings minutes and forming and agreeing on the information to be gathered and the format it is to be presented in for others to use.

- A. REVIEW the Total Process.
- B. REVIEW the Needed Components for Successful Change
- C. Read the Information Summaries generated by the **Background Committee and the Organization Committee**
- D. Describe what the Current Curriculum perK -12 looks like
- E. Describe changes hoped for or required by the three configurations presented by the Organizational Committee
- F. Write a concise description of the Curriculum Changes hoped for or needed based on demographic changes and changes in structure
 - 1- Refer to relevant research
 - 2- How will the change will improve student learning
 - 3- How will the change will help staff be more effective
 - 4- List three to five criteria that should be used to evaluate the success of the proposed change

04. MEETING DATES & LOCATIONS:

WHR: 2/14/06 8:30 a.m. to 11:30 a.m.

WHR: 2/16/06 Noon to 3:30 p.m.

05. EXPECTED OUTCOMES: Short Summary describing the curriculum as envisioned in each of the organizational configurations and responding to the questions: 1. How does each change improve student learning? 2. How does each change help staff to be more effective? 3. What three to five criteria should be used to evaluate the success of the proposed change?

06. EVALUATION: What research supports the recommended changes? Is the description of the change clearly stated so that a 5th grade student would understand what is meant by the adjustment and the reason for it?

07. SIGNIFICANT QUESTIONS RESEARCHED:

- 1. Grade organizations ? **Katie / Shelly / Tina**
- 2. Brain compatible learning ? **Connie & Katie**
- 3. Culturally diverse student population? **Tina**
- 4. ELL (English Language Learner) instructional methods ? **Tina**
