

WESTBROOK - WALNUT GROVE FOOD SERVICE REQUESTS DURING SCHOOL CLOSURE DUE TO COVID-19.

WWG Schools will be distributing meals for kids during school closures due to the COVID-19 virus. The school will be providing sack lunches and a snack for kids living in the WWG School district.. All meals and snacks are free to all children ages 1-18.

Meals will be distributed every Monday, Wednesday and Friday beginning on Wednesday, March 18th. No meals will be provided on Friday, March 20 as school was not planned for that day. Meal services will continue as long as the distance learning mandate from the state of MN is in place.

If families are able, they may pick up meals at either Walnut Grove Elementary or Westbrook High School (main campus) from 11:30am to 12:00pm on Monday, Wednesday, and Friday.

For families living in rural parts of our district (outside of Westbrook or Walnut Grove), a meal delivery service option may be available to you.

Please contact the Karen Olson at the elementary (olsonkfac@wwgschools.org, ph 507-859-2141) or Karen Kolar at the high school (kolar@wwgschools.org, ph 507-274-6111) during school hours (7:45am to 3:45pm) to request meals for your children.

When you email or call us, please state your name and how many meals you need. If you need home delivery to a rural address, please let us know while also providing your address and which bus your student(s) ride.

**The school MUST hear from families if they have students who would like meals from the school. Meals will only be made for those who have contacted us. There may not be extra meals for those who have not made that contact.

**Meals for multiple family members in one household will be packed in one bag.

**Lunches will be packed with a two day supply for children.

Feel free to contact Michele Freeburg, WWG Food Service Director, as well via email (freeburgfac@wwgschools.org) or phone (507-859-2144) with any questions you might have about meal services through the school during this time.

Thank you,

Michele Freeburg
